

REMARKS

A. Applicant was required to furnish a drawing under 37 CFR 1.81

By this Amendment, Applicant is submitting a drawing that illustrates a preferred embodiment of the present invention. No new matter has been introduced in the drawing. Accordingly, it is respectfully submitted that the requirement for a drawing has been satisfied.

B. The Provisional Rejection of claims 1-6

Claims 1-6 were provisionally rejected under 35 U.S.C. 101 as claiming the same invention as that of claims 1-3 and 6 of copending Application No. 09/960,714. It is respectfully submitted that this rejection has been overcome by the canceling of claims 1-3 and 6 in copending Application No. 09/960,714 by way of Amendment submitted the same date as the instant Amendment.

Also, new claims 23-26 have been added to this application. These new claims correspond to claims 2, 4, 5 and 6, respectively, that were canceled in copending Application No. 09/960,714. Because these claims contain limitations in addition to those found in claim 1, it is respectfully submitted that all of these claims should also be allowable.

C. Conclusion

Based upon the foregoing, it is respectfully submitted that the claims are now in condition for allowance. Reexamination and reconsideration are respectfully requested.

In the event that any minor changes are needed to place this application in condition for allowance, a telephone call to the undersigned would be greatly appreciated.

Finally, Applicant would like to point out the following additional matters bearing on this application.

First, a PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(a) is submitted herewith.
